20/02/2021

Dear Friends,

Greetings from Chaitanya - SMSSS, Shimoga, India

We are already in the second month of the New Year 2021. I along with the staff of SMSSS wish you and all your dear and near ones all the happiness during this year and pray to the Lord to bless you all with good health. I am pleased to write these few lines to thank you for your willingness to support **Alisha Rodrigues** from the diocese of Shimoga for her education under Child Sponsorship Programme. Together with the staff associated with the programme I express my sincere gratitude to you for your support to **Alisha Rodrigues** for her future education and pray for God's abundant blessings upon you and your family.

Through your support the parents of **Alisha Rodrigues** can meet the educational expense of their child without much financial burden on them. This support also gives them the assurance that their child would become successful in the future. All the members of the family have conveyed their sincere gratitude to you and to your family for your generosity. I am glad to inform you that presently **Alisha Rodrigues**, is attending the classes of third grade at Jeeva Jyothi Higher Primary School and is happy to continue her studies. Her father, **Arun Climet**, is a driver, mother **Asha**, is a housewife. **Alisha Rodrigues** is glad to write her first 'thank you' letter to you in English and give a short introduction of her family members. I hope that the contents of the letter would please you very much.

I am confident that **Alisha Rodrigues** will benefit much from your kindness and generosity. We assure you that we will motivate and encourage her in all the ways possible so that she concentrates on her studies to set a perfect goal for her future. We are proud to inform you that many value-based programs and activities are organized for these children during children's meetings and camps to stimulate in them values required for personality development, thus achieve their goals. Parents of these children too are involved in activities such as meetings and training programs where awareness on how to improve or strengthen family life is given. Our field staff regularly visits the schools and houses of these children to monitor their progress, enquire about their health and also collect information about the family.

Once again I thank you for your generosity and wish you good health and happiness. Be rest assured of our prayers. Be healthy and safe.

Yours in the Lord,

Rev. Fr Clifford Roshan Pinto  
Director, SMSSS
