

Dear members of company CSc. Milan,

I hope you and your family members are doing fine there. At home, my family members, and I are doing well. Still now we are wearing a face mask when we going outside. What is the situation going on there?

I am very happy that when the society staff told that you willing to support my further studies. I thank you your support.

Our schools are still closed. At present we are attending offline classes of third grade.

My father name is Arun dimet, mother name is Astha younger sister name is Jeanilia. My grandparents and uncle, aunt staying with us.

I will participate in all the camps arranged by Society

At home, we celebrated christmas festival.

With lots of sweet kisses to you, I close this letter.  
yours dear,

Alisha Rodrigues.
