For more details on the language of instruction recommendations, see the course catalogue of each institution

D. Additional requirements

[To be completed if necessary, other requirements may be added on academic or organisational aspects, e.g. the selection criteria for students and staff; measures for preparing, receiving and integrating mobile students and/or staff]

[Please specify whether the institutions have the infrastructure to welcome students and staff with disabilities.]

CZ BRNO01

Additional requirements for incoming students: basic knowledge of technical university physics, mathematics and theoretical electrical engineering – minimal grade 6/10.

BG ROUSSE01

University of Ruse can provide some support to welcome students and staff with disabilities; depending on the individual cases, with prior agreement between both institutions. In case of additional requirements in regard to academic, organizational or other aspects please contact the International Office: dgeorgieva@uni-ruse.bg

¹ For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>
